Oh Freedom oh Freedom
E C#mi F# H
oh Freedom over me.

G# C#mi
Before I'd be a slave
 A F#
I'd be buried in my grave
 E H
and go home to my Lord
 A E
and be free.

No more weeping no more weeping
no more weeping over me.

No more crying no more crying
no more crying over me.

There'll be singing there'll be singing
there'll be singing over me.
